conceive it wd be of importance to have the whole or any part of it re-published in some of your periodicals, or publications connected with the Sabbath, or religion generally you will only promote the object I had in view, by doing so. Ask I just obliged by your sending a copy of it, with my respects, to the Editor of the Biblical Repository, which I have for some years been in the habit of reading.

It wd give me great pleasure to hear from you personally at any time, or from any member of your Society, relating the state and progress of the Sabbath cause in the States. Believe me

with much respect

Revd & Dear Sir

I take the opportunity of Dr Cunninghame's going to America, to send to you care, and for your distribution, a few copies of a pamphlet I published last year on a particular branch of the Sabbath controversy. I meant to have requested your acceptance of them when you were here, but I did not see you again, as I expected, at the Assembly of the Free Church. If you think the argument maintained in it sound (as I of course do) and
